ALL-COUNTY INFORMATION NOTICE I-146-82

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: STATE-ONLY AFDC-UNEMPLOYED PROGRAM

REFERENCE: ALL-COUNTY LETTER 82-96

All-County Letter No. 82-96 requested several footnotes to determine the impact of the State-Only AFDC-Unemployed Program. The footnote on the Aid to Families With Dependent Children - Cash Grant Caseload Movement and Expenditures Report (CA 237 FG/U) requested information about the "Number of cases and persons added to a federal AFDC program as a result of the three month limitation period in the State-Only Unemployed Program". After a number of discussions with counties, it was determined that related information will be required on the CA 237 FG/U statistical reports.

The new regulations affecting the State-Only Unemployed Program has caused counties to review State-Only Unemployed cases to determine eligibility. During this process many counties are discovering that these cases are in fact eligible to receive federal funding and should have been on federal AFDC to begin with. It is critical that this information be collected to determine the full impact of SB 1326.

To accomplish this, an additional footnote will be required on the CA 237 FG/U statistical report to collect this information. It is necessary to report information for July, August and September 1982 as well as current month data.

The prior months' information must be supplied to Statistical Services Branch by December 31, 1982. The prior months' information can be estimated if actual data is not available. If an estimate is used it must be noted on the report. Information for October 1982 and subsequent months must be actual data and should be submitted with reports on their normal due date. This footnote will follow the footnote on the CA 237 FG/U required by All-County Letter 82-96 and will read as follows:

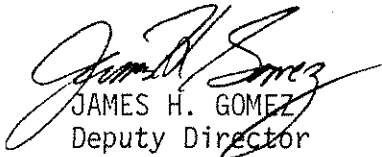

"Number of federal eligible cases and persons being moved from State-Only Unemployed status due to discovery of ongoing federal eligibility."

Cases _____

Persons _____

All footnotes required in All-County Letter No. 82-96 will remain the same. Those footnotes are intended to collect information on cases that have been discontinued due to expiration of the three month time limit. The new footnote is required to collect information on cases which were discovered to have continuing federal eligibility and are now being moved to a federal program.

If you have any questions regarding this All-County Letter, please contact Dan Stone, Statistical Services Branch, (916) 445-3644 or (ATSS) 485-3644.
